What are the community Awards?

These awards are a way for us to recognize the efforts and commitments made by individuals, businesses and groups to build a stronger community and enhance our quality of life through volunteerism, achievement, acts of heroism or philanthropy.

History

The Dawson Creek community awards were started in 2016 and in 2023 the City of Dawson Creek partnered with Community Futures Peace Liard to level up the awards and celebrate our nominees and recipients. We have collaborated to create some new categories to highlight our communities, businesses, and people within that make our community a vibrant place to work, play and live.

The award **nominations** open on August 1st, 2024 and close on September 2nd, 2024. **Voting** opens on September 9th and closes on September 15th, 2024. In November 2024 we will have a Community Awards Gala to celebrate the nominees and announce our award recipients in an Oscar-like fashion. We want to celebrate the people, businesses and groups within our community and ensure they are recognized for their achievements.

The 80's Club: Honeymoon Suite, A Flock of Seagulls, Men Without Hats & Spoons

Wednesday, November 13th, 2024

Doors at 6:00 p.m. | Show at 7:00 p.m.

Ovintiv Events Centre, Dawson Creek, BC

***Tickets & VIP Packages on sale NOW [HERE](#)**

It's time to bust out your neon scrunchies, put on your acid-wash jeans, and tease your hair up high! After a few sold-out shows earlier this year, The 80's Club is going cross-country and it's going to be radical! **Honeymoon Suite, A Flock of Seagulls, Men Without Hats, and Spoons** join forces for an epic tour filled with nostalgic classics.

Honeymoon Suite lit Canadian radio on fire in the 80s with amazing sing-along hits, including "Stay in the Light," "New Girl Now," "Feel it Again," "Wave Babies," and "Burning in Love." After winning a Toronto radio song contest back in '83, they hit the ground running and never looked back! Whether they're headlining festivals or touring with the likes of April Wine, Billy Idol or Bryan Adams, these chart-toppers always put on a great show that will keep a crowd on their feet from beginning to end.

A Flock of Seagulls hails from England and is led by singer Mike Score. AFOS is a Grammy Award-winning new wave act with massive hits like "I Ran (So Far Away)" and "Space Age Love Song." Heralded as both musical and style icons (you're undoubtedly familiar with the Flock of Seagulls haircut!), this group is still referenced in pop culture today.

When it comes to iconic 80's pop songs, you'll be hard-pressed to find two more globally recognized hits than **Men Without Hats**' "The Safety Dance" and "Pop Goes the World!" For that, Ivan Doroschuk recently had the honour of being inducted into the Canadian Songwriters Hall of Fame. Men Without Hats consistently delivers a bounce-out-of-your-seat, high-energy performance that is guaranteed to leave everyone wanting more!

Formed in 1980, **Spoons** was an intrepid young band from Burlington, Ontario that went on to make "Spoons" a different kind of household word. Defining the sound of Canadian 80's pop, their album *Arias & Symphonies*

was named one of the 20 Most Influential Albums of the 80's by The Chart Magazine. Darlings of Much Music, Spoons brought us the incredibly memorable Canadian hits "Romantic Traffic," "Old Emotions," and "Nova Heart."
